

BROCK RFC RUGBY

www.brockrugby.com

Registration will open on Monday June 14, 2021. Programming will start on Saturday July 10, please see the exact dates and times for each age group at the bottom. All programs will be **non-contact training sessions** with no competition at this time. Our Return to Play plan is directed by Rugby Ontario in conjunction with local Health authorities. We are in Phases of return to play as listed below:

Step 1 – Phase 2 – No Flags or equipment allowed only a shared ball.

Step 2 – Phase 3/4 – To be Determined at this time

We will adjust our training sessions as we are allowed according to Rugby Ontario and the direction of the Health authority.

This season we will not be offering our Flag Rugby program as normal and all registration will be done through the Brock Rugby Club website as directed below.

Cost: \$100 + an online registration fee (approximately \$6)

All fees must be paid through the Rugby Ontario registration link. This is different than normal for our Flag Program but cannot be avoided this year.

All players will be required to complete an online Attestation prior to each session.

When you register please keep your account information as that is where you will need to login each week to complete the Attestation.

No player will be allowed on the field without the attestation complete. This is for all age groups, no exceptions.

Health protocols will be shared after registration with all the procedures necessary at the facility and during sessions.

We are only allowed a certain number of participants for each session so there may be some adjustment to the Saturday sessions if necessary.

Age groups and exact days of the sessions are included on the next page.

Registration is available at www.brockrugby.com

Click on the green register now button and it will take you to the Rugby Canada/Ontario registration page.
